| Category                   | Kits/Assays                                                                                                                                                                           |
| Species Reactivity         | Human                                                                                                                                                                                 |
| Product Description        | Human FasL Detection Kit (Flow Cytometry Bead Assay) is expressed from Human . - Kits/Assays...                                                                                       |
| Form                       | Solid                                                                                                                                                                                 |
| Target                     | FasL                                                                                                                                                                                  |
| Application Notes          | This Panel (Flow Cytometry Bead Assay) gives quantitative results of FasL with a sample testing. The performance of this panel has been optimized for specific analysis of cytokines. |
