| Species Reactivity         | Canine, Human, Mouse, Porcine, Rabbit                                                                                                                                                                                                                         |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the N terminal region of human NR2F2                                                                                                                                                                    |
| Product Description        | NR2F2, an orphan member of the nuclear hormone receptor superfamily, acts as a transcriptional repressor by antagonizing the functions of other nuclear hormone receptors and by actively silencing transcription. However, in certain contexts, NR2F2 sti... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 45kDa                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">7026</a>                                                                                                                                                                                                                                          |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
