| Article Name               | MKL1 Antibody - C-terminal region                                                                                                 |
| Biozol Catalog Number      | ASB-ARP37504_T100                                                                                                                 |
| Supplier Catalog Number    | ARP37504_T100                                                                                                                     |
| Alternative Catalog Number | ASB-ARP37504_T100-25UL,ASB-ARP37504_T100-100UL                                                                                    |
| Manufacturer               | Aviva                                                                                                                             |
| Host                       | Rabbit                                                                                                                            |
| Category                   | Proteine/Peptide                                                                                                                  |
| Application                | WB                                                                                                                                |
| Species Reactivity         | Bovine, Canine, Equine, Human, Mouse, Porcine, Rabbit, Rat, Zebrafish                                                             |
| Immunogen                  | The immunogen is a synthetic peptide corresponding to a region of Mouse                                                           |
| Product Description        | MKL1 transduces cytoskeletal signals and induces smooth muscle cell differentiation from undifferentiated embryonic stem cells... |
| Clonality                  | Polyclonal                                                                                                                        |
| Concentration              | 1.0 mg/ml                                                                                                                         |
| Molecular Weight           | 106kDa                                                                                                                            |
| NCBI                       | <a href="#">223701</a>                                                                                                            |
| UniProt                    | <a href="#">Q8K4J6</a>                                                                                                            |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
