| Species Reactivity         | Bovine, Canine, Guinea pig, Human, Mouse, Rabbit, Zebrafish                                                                                                                                                                                                   |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the middle region of human SOX1                                                                                                                                                                         |
| Product Description        | SOX1 is a member of the SOX (SRY-related HMG-box) family of transcription factors involved in the regulation of embryonic development and in the determination of the cell fate. SOX1 may act as a transcriptional activator after forming a protein compl... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 39kDa                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">6656</a>                                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">O00570</a>                                                                                                                                                                                                                                        |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
