| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | ChIP, IHC, WB                                                                                                                                                                                                                                                 |
| Species Reactivity         | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Porcine, Rabbit, Rat                                                                                                                                                                                        |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the C terminal region of human GRHL3                                                                                                                                                                    |
| Product Description        | GRHL3 is a member of the grainyhead family of transcription factors. GRHL3 interacts with leader-binding protein 32 (LBP-32) and brother of mammalian grainyhead (BOM), and may function as a transcription factor during development. Multiple transcript... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 57 kDa, 70 kDa                                                                                                                                                                                                                                                |
| NCBI                       | <a href="#">57822</a>                                                                                                                                                                                                                                         |
