| Category                   | Proteine/Peptide                                                                                                                                                                                                                                              |
| Application                | IHC, WB                                                                                                                                                                                                                                                       |
| Species Reactivity         | Bovine, Canine, Equine, Guinea pig, Human, Mouse, Rabbit, Rat, Zebrafish                                                                                                                                                                                      |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the N terminal region of human NUDT21                                                                                                                                                                   |
| Product Description        | NUDT21 is one subunit of a cleavage factor required for 3 RNA cleavage and polyadenylation processing. The interaction of the protein with the RNA is one of the earliest steps in the assembly of the 3 end processing complex and facilitates the recrui... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 1.0 mg/ml                                                                                                                                                                                                                                                     |
| Molecular Weight           | 25kDa                                                                                                                                                                                                                                                         |
