| Article Name               | DNAJB9 Antibody - N-terminal region                                                         |
| Biozol Catalog Number      | ASB-ARP46885_P050                                                                           |
| Supplier Catalog Number    | ARP46885_P050                                                                               |
| Alternative Catalog Number | ASB-ARP46885_P050-25UL,ASB-ARP46885_P050-100UL                                              |
| Manufacturer               | Aviva                                                                                       |
| Host                       | Rabbit                                                                                      |
| Category                   | Proteine/Peptide                                                                            |
| Application                | WB                                                                                          |
| Species Reactivity         | Bovine, Canine, Equine, Goat, Guinea pig, Human, Mouse, Rabbit, Rat, Yeast, Zebrafish       |
| Immunogen                  | The immunogen is a synthetic peptide directed towards the N terminal region of human DNAJB9 |
| Product Description        | DNAJB9 acts as a co-chaperone with an Hsp70 protein....                                     |
| Clonality                  | Polyclonal                                                                                  |
| Concentration              | 0.5 mg/ml                                                                                   |
| Molecular Weight           | 25kDa                                                                                       |
| NCBI                       | <a href="#">4189</a>                                                                        |
| UniProt                    | <a href="#">Q9UBS3</a>                                                                      |

|      |                                                                                                   |
|------|---------------------------------------------------------------------------------------------------|
| Form | Liquid. Purified antibody supplied in 1x PBS buffer with 0.09% (w/v) sodium azide and 2% sucrose. |
