| Article Name               | pLVX-IRES-neo                                                                                                                                                   |
| Biozol Catalog Number      | EBT-ELKP016                                                                                                                                                     |
| Supplier Catalog Number    | ELKP016                                                                                                                                                         |
| Alternative Catalog Number | EBT-ELKP016-1                                                                                                                                                   |
| Manufacturer               | ELK Biotechnology                                                                                                                                               |
| Category                   | Molekularbiologie                                                                                                                                               |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Amp. Strains for cloning : Stbl3. Spot(Carrier/Vector): Mammalian cells, lentivirus, expression vector |
