## Product Datasheet

### **pDsRED-Monomer-N1 EBT-ELKP041**

|                            |                                                                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | pDsRED-Monomer-N1                                                                                                                                      |
| Biozol Catalog Number      | EBT-ELKP041                                                                                                                                            |
| Supplier Catalog Number    | ELKP041                                                                                                                                                |
| Alternative Catalog Number | EBT-ELKP041-1                                                                                                                                          |
| Manufacturer               | ELK Biotechnology                                                                                                                                      |
| Category                   | Molekularbiologie                                                                                                                                      |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Kan. Strains for cloning : DH5alpha. Spot(Carrier/Vector): Mammalian cells, expression vector |
