## Product Datasheet

### **pRSETB-sfGFP EBT-ELKP076**

|                            |                                                                                                                                                          |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | pRSETB-sfGFP                                                                                                                                             |
| Biozol Catalog Number      | EBT-ELKP076                                                                                                                                              |
| Supplier Catalog Number    | ELKP076                                                                                                                                                  |
| Alternative Catalog Number | EBT-ELKP076-1                                                                                                                                            |
| Manufacturer               | ELK Biotechnology                                                                                                                                        |
| Category                   | Molekularbiologie                                                                                                                                        |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Amp. Strains for cloning : DH5alpha. Spot(Carrier/Vector): Prokaryotic cells, expression vector |
