## Product Datasheet

### **p426 GPD EBT-ELKP190**

|                            |                                                                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | p426 GPD                                                                                                                             |
| Biozol Catalog Number      | EBT-ELKP190                                                                                                                          |
| Supplier Catalog Number    | ELKP190                                                                                                                              |
| Alternative Catalog Number | EBT-ELKP190-1                                                                                                                        |
| Manufacturer               | ELK Biotechnology                                                                                                                    |
| Category                   | Molekularbiologie                                                                                                                    |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Amp. Strains for cloning : DH5alpha. Spot(Carrier/Vector): Yeast Expression |
