## Product Datasheet

### **PAAV-RC EBT-ELKP221**

|                            |                                                                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | PAAV-RC                                                                                                                                        |
| Biozol Catalog Number      | EBT-ELKP221                                                                                                                                    |
| Supplier Catalog Number    | ELKP221                                                                                                                                        |
| Alternative Catalog Number | EBT-ELKP221-1                                                                                                                                  |
| Manufacturer               | ELK Biotechnology                                                                                                                              |
| Category                   | Molekularbiologie                                                                                                                              |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Amp. Strains for cloning : Stbl3. Spot(Carrier/Vector): Adeno-associated virus system |
