## Product Datasheet

### **pEGFP-C2 EBT-ELKP266**

|                            |                                                                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | pEGFP-C2                                                                                                                                               |
| Biozol Catalog Number      | EBT-ELKP266                                                                                                                                            |
| Supplier Catalog Number    | ELKP266                                                                                                                                                |
| Alternative Catalog Number | EBT-ELKP266-1                                                                                                                                          |
| Manufacturer               | ELK Biotechnology                                                                                                                                      |
| Category                   | Molekularbiologie                                                                                                                                      |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Kan. Strains for cloning : DH5alpha. Spot(Carrier/Vector): Mammalian cells, expression vector |
