## Product Datasheet

### pCoHygro EBT-ELKP801

|                            |                                                                                                                                                    |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | pCoHygro                                                                                                                                           |
| Biozol Catalog Number      | EBT-ELKP801                                                                                                                                        |
| Supplier Catalog Number    | ELKP801                                                                                                                                            |
| Alternative Catalog Number | EBT-ELKP801-1                                                                                                                                      |
| Manufacturer               | ELK Biotechnology                                                                                                                                  |
| Category                   | Molekularbiologie                                                                                                                                  |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Amp. Strains for cloning : TOP10. Spot(Carrier/Vector): Drosophila cell expression system |
