## Product Datasheet

### **pCAMBIA1300-35S-EGFP-Golgi EBT-ELKP873**

|                            |                                                                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | pCAMBIA1300-35S-EGFP-Golgi                                                                                                                           |
| Biozol Catalog Number      | EBT-ELKP873                                                                                                                                          |
| Supplier Catalog Number    | ELKP873                                                                                                                                              |
| Alternative Catalog Number | EBT-ELKP873-1                                                                                                                                        |
| Manufacturer               | ELK Biotechnology                                                                                                                                    |
| Category                   | Molekularbiologie                                                                                                                                    |
| Application Notes          | Specification: 20 µl plasmid. Resistance in prokaryotes: Kan. Strains for cloning : DH5alpha. Spot(Carrier/Vector): Plants, subcellular localization |
