| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, WB                                                                                                                                                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                             |
| Immunogen                  | Synthesized acetyl-peptide derived from human p300 around the acetylation site of K1542.                                                                                                                                                                      |
| Product Description        | E1A binding protein p300(EP300) Homo sapiens This gene encodes the adenovirus E1A-associated cellular p300 transcriptional co-activator protein. It functions as histone acetyltransferase that regulates transcription via chromatin remodeling and is im... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
| Concentration              | 1 mg/ml                                                                                                                                                                                                                                                       |
| Molecular Weight           | 300kD                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">2033</a>                                                                                                                                                                                                                                          |
| UniProt                    | <a href="#">Q09472</a>                                                                                                                                                                                                                                        |

|                    |                                                                                     |
|--------------------|-------------------------------------------------------------------------------------|
| Application Dilute | Western Blot: 1/500 - 1/2000. ELISA: 1/10000. Not yet tested in other applications. |
