| Host                       | Rabbit                                                                                                |
| Category                   | Antikörper                                                                                            |
| Application                | IF, IHC, WB                                                                                           |
| Species Reactivity         | Human, Mouse, Rat                                                                                     |
| Immunogen                  | Recombinant fusion protein of human Gelsolin                                                          |
| Conjugation                | Unconjugated                                                                                          |
| Product Description        | This is a Gelsolin Polyclonal Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Clonality                  | Polyclonal                                                                                            |
| Concentration              | 1mg/mL                                                                                                |
| Molecular Weight           | Observed MW: 120-260kDa. Observed MW: 120-260kDa                                                      |
| Buffer                     | PBS with 0.01% thiomersal,50% glycerol,pH7.3.                                                         |
