| Category                   | Kits/Assays                                                                                                                                                                                                                                                   |
| Application                | ELISA                                                                                                                                                                                                                                                         |
| Species Reactivity         | Porcine                                                                                                                                                                                                                                                       |
| Product Description        | This Porcine Alanine Aminotransferase (ALT) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids . ... |
| Range                      | 4.68-300U/L                                                                                                                                                                                                                                                   |
| Sensitivity                | 1.17U/L                                                                                                                                                                                                                                                       |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biological fluids                                                                                                                                                        |
| Target                     | Porcine Alanine Aminotransferase (ALT)                                                                                                                                                                                                                        |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
