| Application                | ELISA                                                                                                                                                                                                                                                         |
| Species Reactivity         | Porcine                                                                                                                                                                                                                                                       |
| Product Description        | This Porcine Plasminogen Activator Inhibitor 1 (PAI1) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates and other biological fluids . This product is for Research Us... |
| Range                      | 0.156-10ng/mL                                                                                                                                                                                                                                                 |
| Sensitivity                | 0.062ng/mL                                                                                                                                                                                                                                                    |
| Samples                    | serum, plasma, tissue homogenates and other biological fluids                                                                                                                                                                                                 |
| Target                     | Porcine Plasminogen Activator Inhibitor 1 (PAI1)                                                                                                                                                                                                              |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
