| Category                   | Kits/Assays                                                                                                                                                                                                                                             |
| Application                | ELISA                                                                                                                                                                                                                                                   |
| Species Reactivity         | Mouse                                                                                                                                                                                                                                                   |
| Product Description        | This Mouse Regenerating Islet Derived Protein 3 Beta (REG3b) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma and other biological fluids . This product is for Research Use Only.... |
| Range                      | 9.37-600pg/mL                                                                                                                                                                                                                                           |
| Sensitivity                | 4.1pg/mL                                                                                                                                                                                                                                                |
| Samples                    | serum, plasma and other biological fluids                                                                                                                                                                                                               |
| Target                     | Mouse Regenerating Islet Derived Protein 3 Beta (REG3b)                                                                                                                                                                                                 |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                    |
