| Category                   | Kits/Assays                                                                                                                                                                                                                                                   |
| Application                | ELISA                                                                                                                                                                                                                                                         |
| Species Reactivity         | Mouse                                                                                                                                                                                                                                                         |
| Product Description        | This Mouse Tissue Factor Pathway Inhibitor (TFPI) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in plasma, urine, cell culture supernatants and other biological fluids . This product is for Research... |
| Range                      | 78.1-5000pg/mL                                                                                                                                                                                                                                                |
| Sensitivity                | 33pg/mL                                                                                                                                                                                                                                                       |
| Samples                    | plasma, urine, cell culture supernatants and other biological fluids                                                                                                                                                                                          |
| Target                     | Mouse Tissue Factor Pathway Inhibitor (TFPI)                                                                                                                                                                                                                  |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                                          |
