| Category                   | Kits/Assays                                                                                                                                                                                                                                      |
| Application                | ELISA                                                                                                                                                                                                                                            |
| Species Reactivity         | Rat                                                                                                                                                                                                                                              |
| Product Description        | This Rat Tumor Protein p53 (TP53) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates and other biological fluids . This product is for Research Use Only.... |
| Range                      | 78.1-5000pg/mL                                                                                                                                                                                                                                   |
| Sensitivity                | 28pg/mL                                                                                                                                                                                                                                          |
| Samples                    | serum, plasma, tissue homogenates and other biological fluids                                                                                                                                                                                    |
| Target                     | Rat Tumor Protein p53 (TP53)                                                                                                                                                                                                                     |
| Application Notes          | Assay Length: 3 hours. Experimental Method: Sandwich                                                                                                                                                                                             |
