| Alternative Catalog Number | RDD-RDSA68043-100                                                                                             |
| Manufacturer               | reddot Biotech                                                                                                |
| Host                       | Rabbit                                                                                                        |
| Category                   | Antikörper                                                                                                    |
| Application                | WB                                                                                                            |
| Species Reactivity         | Human, Mouse                                                                                                  |
| Immunogen                  | A synthesized peptide derived from human HMG4                                                                 |
| Conjugation                | Unconjugated                                                                                                  |
| Product Description        | This is a HMG4 Rabbit mAb Recombinant Antibody from Reddot Biotech. This product is for Research Use Only.... |
| Clonality                  | Monoclonal                                                                                                    |
| Buffer                     | Phosphate buffered saline, pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.                           |
| Antibody Type              | Recombinant Antibody                                                                                          |
