## Product Datasheet

### NF-kB p65, Clone: [PSH0-27], Unconjugated, Rabbit, Monoclonal HBO-HA721307

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | NF-kB p65, Clone: [PSH0-27], Unconjugated, Rabbit, Monoclonal          |
| Biozol Catalog Number      | HBO-HA721307                                                           |
| Supplier Catalog Number    | HA721307                                                               |
| Alternative Catalog Number | HBO-HA721307                                                           |
| Manufacturer               | HUABIO                                                                 |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Application                | FC, IF, IHC-P, WB                                                      |
| Species Reactivity         | Human, Monkey, Mouse, Rat                                              |
| Immunogen                  | Synthetic peptide within human RELA aa 502-551 / 551.                  |
| Conjugation                | Unconjugated                                                           |
| Clonality                  | Monoclonal                                                             |
| Concentration              | 1 mg/mL.                                                               |
| Clone Designation          | [PSH0-27]                                                              |
| Molecular Weight           | Predicted band size: 65 kDa                                            |
| UniProt                    | <a href="#">Q04206</a>                                                 |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity                     | Protein A affinity purified.                                           |

|                    |                                                                |
|--------------------|----------------------------------------------------------------|
| Form               | Liquid                                                         |
| Application Dilute | WB: 1:1,000 ,IHC-P: 1:1,000 ,IF-Cell: 1:100-1:200 ,FC: 1:1,000 |
