## Product Datasheet

### Human IDO1, Clone: [PSH09-87], Unconjugated, Rabbit, Monoclonal HBO-HA723155

|                            |                                                                 |
|----------------------------|-----------------------------------------------------------------|
| Article Name               | Human IDO1, Clone: [PSH09-87], Unconjugated, Rabbit, Monoclonal |
| Biozol Catalog Number      | HBO-HA723155                                                    |
| Supplier Catalog Number    | HA723155                                                        |
| Alternative Catalog Number | HBO-HA723155                                                    |
| Manufacturer               | HUABIO                                                          |
| Host                       | Rabbit                                                          |
| Category                   | Antikörper                                                      |
| Application                | ELISA                                                           |
| Species Reactivity         | Human                                                           |
| Immunogen                  | Recombinant protein within Human IDO1 aa 1-403.                 |
| Conjugation                | Unconjugated                                                    |
| Clonality                  | Monoclonal                                                      |
| Concentration              | 1 mg/ml                                                         |
| Clone Designation          | [PSH09-87]                                                      |
| UniProt                    | <a href="#">P14902</a>                                          |
| Buffer                     | PBS (pH7.4).                                                    |
| Purity                     | Protein A affinity purified.                                    |
| Form                       | Liquid                                                          |

|                    |                                                                                                                                                                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH09-86] to Human IDO1 antibody (Capture) (HA723154) and Recombinant Human IDO1 protein (HA210938) as the standard. The reference range value is |
