## Product Datasheet

### Human Livin, Clone: [PSH12-94], Unconjugated, Rabbit, Monoclonal HBO-HA723498

|                            |                                                                  |
|----------------------------|------------------------------------------------------------------|
| Article Name               | Human Livin, Clone: [PSH12-94], Unconjugated, Rabbit, Monoclonal |
| Biozol Catalog Number      | HBO-HA723498                                                     |
| Supplier Catalog Number    | HA723498                                                         |
| Alternative Catalog Number | HBO-HA723498                                                     |
| Manufacturer               | HUABIO                                                           |
| Host                       | Rabbit                                                           |
| Category                   | Antikörper                                                       |
| Application                | ELISA                                                            |
| Species Reactivity         | Human                                                            |
| Immunogen                  | Recombinant protein within Human Livin aa 1-232.                 |
| Conjugation                | Unconjugated                                                     |
| Clonality                  | Monoclonal                                                       |
| Concentration              | 1 mg/mL.                                                         |
| Clone Designation          | [PSH12-94]                                                       |
| UniProt                    | <a href="#">Q96CA5</a>                                           |
| Buffer                     | PBS (pH7.4).                                                     |
| Purity                     | Protein A affinity purified.                                     |
| Form                       | Liquid                                                           |

|                    |                                                                                                                                                                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISA(Cap): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH12-95] to Human Livin antibody (Detector) (HA723499) and Recombinant Human Livin protein as the standard. The reference range value is 20.6-5, |
