## Product Datasheet

### Transketolase, Clone: [PSH13-70], Unconjugated, Rabbit, Monoclonal HBO-HA723559

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Transketolase, Clone: [PSH13-70], Unconjugated, Rabbit, Monoclonal     |
| Biozol Catalog Number      | HBO-HA723559                                                           |
| Supplier Catalog Number    | HA723559                                                               |
| Alternative Catalog Number | HBO-HA723559                                                           |
| Manufacturer               | HUABIO                                                                 |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Application                | FC, IF, IHC-P, WB                                                      |
| Species Reactivity         | Human, Monkey, Mouse, Rat                                              |
| Immunogen                  | Synthetic peptide within human Transketolase aa 41-90.                 |
| Conjugation                | Unconjugated                                                           |
| Clonality                  | Monoclonal                                                             |
| Concentration              | 0.2 mg/mL.                                                             |
| Clone Designation          | [PSH13-70]                                                             |
| Molecular Weight           | Predicted band size: 68 kDa                                            |
| UniProt                    | <a href="#">P29401</a>                                                 |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity                     | Protein A affinity purified.                                           |

|                    |                                                             |
|--------------------|-------------------------------------------------------------|
| Form               | Liquid                                                      |
| Application Dilute | WB: 1:30,000 ,IF-Cell: 1:1,000 ,IHC-P: 1:1,000 ,FC: 1:2,000 |
