## Product Datasheet

### TCF7, Clone: [PSH13-89], Unconjugated, Rabbit, Monoclonal HBO-HA723582

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | TCF7, Clone: [PSH13-89], Unconjugated, Rabbit, Monoclonal              |
| Biozol Catalog Number      | HBO-HA723582                                                           |
| Supplier Catalog Number    | HA723582                                                               |
| Alternative Catalog Number | HBO-HA723582                                                           |
| Manufacturer               | HUABIO                                                                 |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Application                | IHC, IHC-P, IP, WB                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                      |
| Immunogen                  | Recombinant protein within human TCF7 aa 1-300.                        |
| Conjugation                | Unconjugated                                                           |
| Clonality                  | Monoclonal                                                             |
| Concentration              | 1 mg/mL.                                                               |
| Clone Designation          | [PSH13-89]                                                             |
| Molecular Weight           | Predicted band size: 42 kDa                                            |
| UniProt                    | <a href="#">P36402</a>                                                 |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity                     | Protein A affinity purified.                                           |

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| Form               | Liquid                                                   |
| Application Dilute | WB: 1:5,000 ,IHC-P: 1:200 ,IP: 1-2μg/sample ,mIHC: 1:200 |
