## Product Datasheet

### **DR3 / LARD, Clone: [PSH13-90], Unconjugated, Rabbit, Monoclonal HBO-HA723583**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | DR3 / LARD, Clone: [PSH13-90], Unconjugated, Rabbit, Monoclonal        |
| Biozol Catalog Number      | HBO-HA723583                                                           |
| Supplier Catalog Number    | HA723583                                                               |
| Alternative Catalog Number | HBO-HA723583                                                           |
| Manufacturer               | HUABIO                                                                 |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Application                | IF, WB                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                      |
| Immunogen                  | Recombinant protein within human DR3 / LARD aa 1-199.                  |
| Conjugation                | Unconjugated                                                           |
| Clonality                  | Monoclonal                                                             |
| Concentration              | 1 mg/mL.                                                               |
| Clone Designation          | [PSH13-90]                                                             |
| Molecular Weight           | Predicted band size: 45 kDa                                            |
| UniProt                    | <a href="#">Q93038</a>                                                 |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity                     | Protein A affinity purified.                                           |

|                    |                             |
|--------------------|-----------------------------|
| Form               | Liquid                      |
| Application Dilute | WB: 1:5,000 ,IF-Cell: 1:100 |
