## Product Datasheet

### Human IGFBP1, Clone: [PSH17-58], Unconjugated, Rabbit, Monoclonal HBO-HA723933

|                            |                                                                   |
|----------------------------|-------------------------------------------------------------------|
| Article Name               | Human IGFBP1, Clone: [PSH17-58], Unconjugated, Rabbit, Monoclonal |
| Biozol Catalog Number      | HBO-HA723933                                                      |
| Supplier Catalog Number    | HA723933                                                          |
| Alternative Catalog Number | HBO-HA723933                                                      |
| Manufacturer               | HUABIO                                                            |
| Host                       | Rabbit                                                            |
| Category                   | Antikörper                                                        |
| Application                | ELISA                                                             |
| Species Reactivity         | Human                                                             |
| Immunogen                  | Recombinant protein within Human IGFBP1 aa 26-259 (HA211115).     |
| Conjugation                | Unconjugated                                                      |
| Clonality                  | Monoclonal                                                        |
| Concentration              | 1 mg/mL.                                                          |
| Clone Designation          | [PSH17-58]                                                        |
| UniProt                    | <a href="#">P08833</a>                                            |
| Buffer                     | PBS (pH7.4).                                                      |
| Purity                     | Protein A affinity purified.                                      |
| Form                       | Liquid                                                            |

|                    |                                                                                                                                                                                                                                                                 |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISA(Det): Use at an assay dependent concentration. Can be paired for Sandwich ELISA with Rabbit monoclonal [PSH17-56] to Human IGFBP1 antibody (Capture) (HA723931) and Recombinant Human IGFBP1 protein (HA211115) as the standard. The reference range valu |
