## Product Datasheet

### **CCL2 / MCP-1, Clone: [PSH18-16], Unconjugated, Rabbit, Monoclonal HBO-HA723979**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | CCL2 / MCP-1, Clone: [PSH18-16], Unconjugated, Rabbit, Monoclonal      |
| Biozol Catalog Number      | HBO-HA723979                                                           |
| Supplier Catalog Number    | HA723979                                                               |
| Alternative Catalog Number | HBO-HA723979                                                           |
| Manufacturer               | HUABIO                                                                 |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Application                | FC, IF, WB                                                             |
| Species Reactivity         | Mouse, Rat                                                             |
| Immunogen                  | Recombinant protein within rat CCL2 aa 1-148.                          |
| Conjugation                | Unconjugated                                                           |
| Clonality                  | Monoclonal                                                             |
| Concentration              | 1 mg/mL.                                                               |
| Clone Designation          | [PSH18-16]                                                             |
| Molecular Weight           | Predicted band size: 16 kDa                                            |
| UniProt                    | <a href="#">P10148</a>                                                 |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity                     | Protein A affinity purified.                                           |

|                    |                                                |
|--------------------|------------------------------------------------|
| Form               | Liquid                                         |
| Application Dilute | WB: 1:5,000 ,IF-Cell: 1:100-1:250 ,FC: 1:1,000 |
