## Product Datasheet

### **MAG, Clone: [PSH02-41], Unconjugated, Rabbit, Monoclonal HBO-HA750806**

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Article Name               | MAG, Clone: [PSH02-41], Unconjugated, Rabbit, Monoclonal |
| Biozol Catalog Number      | HBO-HA750806                                             |
| Supplier Catalog Number    | HA750806                                                 |
| Alternative Catalog Number | HBO-HA750806                                             |
| Manufacturer               | HUABIO                                                   |
| Host                       | Rabbit                                                   |
| Category                   | Antikörper                                               |
| Application                | IF, IHC-Fr, IHC-P, IP, WB                                |
| Species Reactivity         | Human, Mouse, Porcine, Primate, Rat                      |
| Immunogen                  | Recombinant protein within human MAG aa 1-536 / 626.     |
| Conjugation                | Unconjugated                                             |
| Clonality                  | Monoclonal                                               |
| Concentration              | 1 mg/mL.                                                 |
| Clone Designation          | [PSH02-41]                                               |
| Molecular Weight           | Predicted band size: 69 kDa                              |
| UniProt                    | <a href="#">P20916</a>                                   |
| Buffer                     | PBS (pH7.4).                                             |
| Purity                     | Protein A affinity purified.                             |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Form               | Liquid                                                                                                 |
| Application Dilute | WB: 1:2,000 ,IHC-P: 1:2,000-1:5,000 ,IF-Tissue: 1:200-1:1,000 ,IP: 1-2µg/sample ,IHC-Fr: 1:500-1:1,000 |
