## Product Datasheet

### **Phospho-SMAD2 (S465+467), Clone: [PSH05-76], Unconjugated, Rabbit, Monoclonal HBO-HA751026**

|                            |                                                                                                |
|----------------------------|------------------------------------------------------------------------------------------------|
| Article Name               | Phospho-SMAD2 (S465+467), Clone: [PSH05-76], Unconjugated, Rabbit, Monoclonal                  |
| Biozol Catalog Number      | HBO-HA751026                                                                                   |
| Supplier Catalog Number    | HA751026                                                                                       |
| Alternative Catalog Number | HBO-HA751026                                                                                   |
| Manufacturer               | HUABIO                                                                                         |
| Host                       | Rabbit                                                                                         |
| Category                   | Antikörper                                                                                     |
| Application                | IF, IHC-P, WB                                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                                              |
| Immunogen                  | Synthetic phospho-peptide corresponding to residues surrounding Ser465 and 467 of Human SMAD2. |
| Conjugation                | Unconjugated                                                                                   |
| Clonality                  | Monoclonal                                                                                     |
| Concentration              | 1 mg/mL.                                                                                       |
| Clone Designation          | [PSH05-76]                                                                                     |
| Molecular Weight           | Predicted band size: 52/48 kDa                                                                 |
| UniProt                    | <a href="#">Q15796</a>                                                                         |

|                    |                                           |
|--------------------|-------------------------------------------|
| Buffer             | PBS (pH7.4).                              |
| Purity             | Protein A affinity purified.              |
| Form               | Liquid                                    |
| Application Dilute | WB: 1:1,000 ,IF-Cell: 1:500 ,IHC-P: 1:200 |
