## Product Datasheet

### Orexin, Clone: [PSH16-77], Unconjugated, Rabbit, Monoclonal HBO-HA751606

|                            |                                                             |
|----------------------------|-------------------------------------------------------------|
| Article Name               | Orexin, Clone: [PSH16-77], Unconjugated, Rabbit, Monoclonal |
| Biozol Catalog Number      | HBO-HA751606                                                |
| Supplier Catalog Number    | HA751606                                                    |
| Alternative Catalog Number | HBO-HA751606                                                |
| Manufacturer               | HUABIO                                                      |
| Host                       | Rabbit                                                      |
| Category                   | Antikörper                                                  |
| Application                | IHC-Fr, IHC-P                                               |
| Species Reactivity         | Mouse, Rat                                                  |
| Conjugation                | Unconjugated                                                |
| Clonality                  | Monoclonal                                                  |
| Clone Designation          | [PSH16-77]                                                  |
| Molecular Weight           | Predicted band size: 14 kDa                                 |
| UniProt                    | <a href="#">O55241</a>                                      |
| Buffer                     | PBS (pH7.4).                                                |
| Purity                     | Protein A affinity purified.                                |
| Form                       | Liquid                                                      |
| Application Dilute         | IHC-Fr: 1:100 ,IHC-P: 1:100                                 |
