## Product Datasheet

### alpha smooth muscle Actin, Unconjugated HBO-IRS219MS

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | alpha smooth muscle Actin, Unconjugated                                |
| Biozol Catalog Number      | HBO-IRS219MS                                                           |
| Supplier Catalog Number    | IRS219MS                                                               |
| Alternative Catalog Number | HBO-IRS219MS                                                           |
| Manufacturer               | HUABIO                                                                 |
| Category                   | Antikörper                                                             |
| Application                | IHC                                                                    |
| Species Reactivity         | Mouse                                                                  |
| Immunogen                  | Synthetic peptide within N-terminal human alpha smooth muscle Actin.   |
| Conjugation                | Unconjugated                                                           |
| Molecular Weight           | Predicted band size: 42 kDa                                            |
| UniProt                    | <a href="#">P62737</a>                                                 |
| Buffer                     | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity                     | Protein A affinity purified.                                           |
| Form                       | Liquid                                                                 |
| Application Dilute         | mIHC: 1:100                                                            |
