## Product Datasheet

### **FABP3 (5C4F5) Mouse Monoclonal Antibody, IgG1, Unconjugated EKL-AMM03313**

|                            |                                                                                                                        |
|----------------------------|------------------------------------------------------------------------------------------------------------------------|
| Article Name               | FABP3 (5C4F5) Mouse Monoclonal Antibody, IgG1, Unconjugated                                                            |
| Biozol Catalog Number      | EKL-AMM03313                                                                                                           |
| Supplier Catalog Number    | AMM03313                                                                                                               |
| Alternative Catalog Number | EKL-AMM03313-50UL, EKL-AMM03313-100UL, EKL-AMM03313-200UL                                                              |
| Manufacturer               | EnkiLife                                                                                                               |
| Host                       | Mouse                                                                                                                  |
| Category                   | Antikörper                                                                                                             |
| Application                | ELISA                                                                                                                  |
| Species Reactivity         | Human                                                                                                                  |
| Conjugation                | Unconjugated                                                                                                           |
| Product Description        | FABP are thought to play a role in the intracellular transport of long-chain fatty acids and their acyl-CoA esters.... |
| Clonality                  | Monoclonal                                                                                                             |
| Isotype                    | IgG1                                                                                                                   |
| NCBI                       | <a href="#">2170</a>                                                                                                   |
| UniProt                    | <a href="#">P05413</a>                                                                                                 |
| Buffer                     | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide, pH 7.3.                                        |
| Purity                     | Affinity Purification                                                                                                  |

|                    |                      |
|--------------------|----------------------|
| Form               | Liquid               |
| Target             | FABP3                |
| Application Dilute | ELISA 1:5000-1:20000 |
