| Article Name               | (5alpha,16beta)-N-Acetyl-16-acetyloxy-2H-androst-2-eno[3,2-c]pyrazol-17-one                                                           |
| Biozol Catalog Number      | USB-001175                                                                                                                            |
| Supplier Catalog Number    | 001175                                                                                                                                |
| Alternative Catalog Number | USB-001175-10                                                                                                                         |
| Manufacturer               | US Biological                                                                                                                         |
| Category                   | Biochemikalien                                                                                                                        |
| Product Description        | Intermediate in the synthesis of a Stanozolol metabolite. Form: White Solid Solubility: Chloroform, Dichloromethane, Ethyl Acetate... |
| Molecular Weight           | 412.52                                                                                                                                |
| Form                       | White Solid                                                                                                                           |
