| Article Name               | Carbazochrome Sodium Sulfonate, CAS [[51460-26-5]]                                                                                         |
| Biozol Catalog Number      | USB-005618                                                                                                                                 |
| Supplier Catalog Number    | 005618                                                                                                                                     |
| Alternative Catalog Number | USB-005618-100                                                                                                                             |
| Manufacturer               | US Biological                                                                                                                              |
| Category                   | Biochemikalien                                                                                                                             |
| Product Description        | A Phosphatidylinositol hydrolysis inhibitor in endothelial cells. Form: Yellow Solid Melting Point: 220-222C Solubility: DMSO, Methanol... |
| Molecular Weight           | 322.27                                                                                                                                     |
| Form                       | Yellow Solid                                                                                                                               |
| CAS Number                 | [51460-26-5]                                                                                                                               |
