| Alternative Catalog Number | USB-M1202-52C-APC-100                                                                                                                                                                                                                                         |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Immunogen                  | Recombinant protein corresponding to mouse MIP-2 expressed in E. coli.                                                                                                                                                                                        |
| Product Description        | Applications: Suitable for use in FLISA, Neutralization and Western Blot. Other applications not tested. Recommended Dilutions: Optimal dilutions to be determined by the researcher. Storage and Stability: Store product at 4C in the dark. DO NOT FREEZ... |
| UniProt                    | <a href="#">P10889</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified by immunoaffinity chromatography.                                                                                                                                                                                                                    |
| Form                       | Supplied as a liquid in PBS, pH 7.2. Labeled with Allophycocyanin (APC).                                                                                                                                                                                      |
