## Product Datasheet

### **TSG101 (Tumor Susceptibility Gene 101 Protein, ESCRT-I Complex Subunit TSG101) (APC), Clone: [5B7], Mouse, Monoclonal USB-T9101-75C-APC**

|                            |                                                                                                                                                                                                                                                               |

| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | FLISA, IF, IHC, WB                                                                                                                                                                                                                                            |
| Immunogen                  | Partial recombinant protein corresponding to aa 201-280 from human TSG101 with GST tag. MW of the GST tag alone is 26kD.                                                                                                                                      |
| Product Description        | TSG101 belongs to a group of apparently inactive homologs of ubiquitin-conjugating enzymes. The gene product contains a coiled-coil domain that interacts with stathmin, a cytosolic phosphoprotein implicated in tumorigenesis. The protein may play a ro... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [5B7]                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">006283</a>                                                                                                                                                                                                                                        |
| Purity                     | Purified.                                                                                                                                                                                                                                                     |

|      |                                                                          |
|------|--------------------------------------------------------------------------|
| Form | Supplied as a liquid in PBS, pH 7.2. Labeled with Allophycocyanin (APC). |
