| Alternative Catalog Number | USB-Z0739-62-ML650-100                                                                                                                                                                                                                                        |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Host                       | Mouse                                                                                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | FLISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                  | Recombinant human protein corresponding to a portion of amino acids within aa121-133 of ZNF133.                                                                                                                                                               |
| Product Description        | MaxLight(TM)650 is a new Far-IR stable dye conjugate comparable to Alexa Fluor(TM)647, DyLight(TM)649, Cy5(TM) and offers better labeling efficiency, brighter imaging and increased immunodetection. Absorbance (655nm), Emission (676nm), Extinction Coe... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [1C6]                                                                                                                                                                                                                                                         |

|         |                                                                                           |
|---------|-------------------------------------------------------------------------------------------|
| Isotype | IgG2a                                                                                     |
| NCBI    | <a href="#">003425</a>                                                                    |
| Purity  | Purified by immunoaffinity chromatography.                                                |
| Form    | Supplied as a liquid in PBS, pH 7.2. No preservative added. Labeled with MaxLight(TM)650. |
