## Product Datasheet

### **ZNF289 (IRZ, FLJ14576, FLJ26000, GTPase Activating Protein ZNF289, Nbla10535, Zfp289) (Azide Free), IgG2a, Clone: [4B3], Mouse, Monoclonal USB-Z0742-89**

|                            |                                                                                                                                                                                                                                                               |

| Alternative Catalog Number | USB-Z0742-89-100                                                                                                                                                                                                                                              |
| Manufacturer               | US Biological                                                                                                                                                                                                                                                 |
| Host                       | Mouse                                                                                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ELISA, WB                                                                                                                                                                                                                                                     |
| Immunogen                  | Recombinant protein corresponding to a portion of amino acids within aa331-431 of human ZNF85.                                                                                                                                                                |
| Product Description        | Applications: Suitable for use in ELISA and Western Blot. Other applications not tested. Recommended Dilution: Western Blot: 1:500-1:1,000 ELISA: 1ug/ml-3ng/ml Optimal dilutions to be determined by the researcher. Storage and Stability: May be stored... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Clone Designation          | [4B3]                                                                                                                                                                                                                                                         |
| Isotype                    | IgG2a                                                                                                                                                                                                                                                         |
| NCBI                       | <a href="#">115765</a>                                                                                                                                                                                                                                        |

|        |                                                                          |
|--------|--------------------------------------------------------------------------|
| Purity | Purified by immunoaffinity chromatography.                               |
| Form   | Supplied as a liquid in PBS, pH 7.2. No preservative added (Azide free). |
