| Article Name               | GSK3A/GSK3B (phospho Y216/Y279) recombinant monoclonal antibody, clone 4A5, Clone: [4A5], Monoclonal                           |
| Biozol Catalog Number      | ABN-RAB08076                                                                                                                   |
| Supplier Catalog Number    | RAB08076                                                                                                                       |
| Alternative Catalog Number | ABN-RAB08076-50                                                                                                                |
| Manufacturer               | Abnova                                                                                                                         |
| Category                   | Antikörper                                                                                                                     |
| Application                | ELISA, IHC                                                                                                                     |
| Species Reactivity         | Human                                                                                                                          |
| Immunogen                  | Original antibody is raised against a synthetic phosphopeptide corresponding to residues surrounding Y216/Y279 of human GSK3A. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human GSK3A....                                                          |
| Clonality                  | Monoclonal                                                                                                                     |
| Clone Designation          | [4A5]                                                                                                                          |
| UniProt                    | 2931                                                                                                                           |
| Buffer                     | In PBS, pH7.4 (150mM NaCl, 50% glycerol and 0.02% sodium azide)                                                                |
| Form                       | Liquid                                                                                                                         |
| Target                     | GSK3A                                                                                                                          |

|                    |                                                                                                          |
|--------------------|----------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISAImmunohistochemistry (1:50-1:200)The optimal working dilution should be determined by the end user. |
