## Product Datasheet

### **PABPN1 recombinant monoclonal antibody, clone 6C3, Clone: [6C3], Monoclonal ABN-RAB08232**

|                            |                                                                                                    |
|----------------------------|----------------------------------------------------------------------------------------------------|
| Article Name               | PABPN1 recombinant monoclonal antibody, clone 6C3, Clone: [6C3], Monoclonal                        |
| Biozol Catalog Number      | ABN-RAB08232                                                                                       |
| Supplier Catalog Number    | RAB08232                                                                                           |
| Alternative Catalog Number | ABN-RAB08232-50                                                                                    |
| Manufacturer               | Abnova                                                                                             |
| Category                   | Antikörper                                                                                         |
| Application                | ELISA, FC, IF, IHC, WB                                                                             |
| Species Reactivity         | Human                                                                                              |
| Immunogen                  | Original antibody is raised against recombinant protein corresponding to full length human PABPN1. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human PABPN1....                             |
| Clonality                  | Monoclonal                                                                                         |
| Clone Designation          | [6C3]                                                                                              |
| UniProt                    | 8106                                                                                               |
| Buffer                     | In PBS, pH7.4 (150mM NaCl, 50% glycerol and 0.02% sodium azide)                                    |
| Form                       | Liquid                                                                                             |
| Target                     | PABPN1                                                                                             |

|                    |                                                                                                                                                                                              |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISAFlow Cytometry (1:20-1:200)Immunohistochemistry (1:50-1:200)Immunofluorescence(1:20-1:200)Western Blot (1:500-1:5000)The optimal working dilution should be determined by the end user. |
