## Product Datasheet

### **KAT8 recombinant monoclonal antibody, clone 7E11, Clone: [7E11], Monoclonal ABN-RAB08432**

|                            |                                                                                      |
|----------------------------|--------------------------------------------------------------------------------------|
| Article Name               | KAT8 recombinant monoclonal antibody, clone 7E11, Clone: [7E11], Monoclonal          |
| Biozol Catalog Number      | ABN-RAB08432                                                                         |
| Supplier Catalog Number    | RAB08432                                                                             |
| Alternative Catalog Number | ABN-RAB08432-50                                                                      |
| Manufacturer               | Abnova                                                                               |
| Category                   | Antikörper                                                                           |
| Application                | ELISA, IF, IHC                                                                       |
| Species Reactivity         | Human                                                                                |
| Immunogen                  | Original antibody is raised against a synthetic peptide corresponding to human KAT8. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human KAT8....                 |
| Clonality                  | Monoclonal                                                                           |
| Clone Designation          | [7E11]                                                                               |
| UniProt                    | 84148                                                                                |
| Buffer                     | In PBS, pH7.4 (150 mM NaCl, 0.02% sodium azide and 50% glycerol)                     |
| Form                       | Liquid                                                                               |
| Target                     | MYST1                                                                                |

|                    |                                                                                                                                       |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | ELISAImmunohistochemistry(1:50-1:200)Immunofluorescence(1:20-1:200)The optimal working dilution should be determined by the end user. |
