## Product Datasheet

### **DDIT3 recombinant monoclonal antibody, clone 17A10, Clone: [17A10], Monoclonal ABN-RAB08563**

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | DDIT3 recombinant monoclonal antibody, clone 17A10, Clone: [17A10], Monoclonal        |
| Biozol Catalog Number      | ABN-RAB08563                                                                          |
| Supplier Catalog Number    | RAB08563                                                                              |
| Alternative Catalog Number | ABN-RAB08563-50                                                                       |
| Manufacturer               | Abnova                                                                                |
| Category                   | Antikörper                                                                            |
| Application                | ELISA, FC                                                                             |
| Species Reactivity         | Human                                                                                 |
| Immunogen                  | Original antibody is raised against a synthetic peptide corresponding to human DDIT3. |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human DDIT3....                 |
| Clonality                  | Monoclonal                                                                            |
| Clone Designation          | [17A10]                                                                               |
| UniProt                    | 1649                                                                                  |
| Buffer                     | In PBS, pH7.4 (150 mM NaCl, 0.02% sodium azide and 50% glycerol)                      |
| Form                       | Liquid                                                                                |
| Target                     | DDIT3                                                                                 |

|                    |                                                                                                   |
|--------------------|---------------------------------------------------------------------------------------------------|
| Application Dilute | ELISAFlow Cytometry(1:50-1:200)The optimal working dilution should be determined by the end user. |
