## Product Datasheet

### **GYPA recombinant monoclonal antibody, clone rGYPA/280, Clone: [rGYPA/280], Monoclonal ABN-RAB08877**

|                            |                                                                                                  |
|----------------------------|--------------------------------------------------------------------------------------------------|
| Article Name               | GYPA recombinant monoclonal antibody, clone rGYPA/280, Clone: [rGYPA/280], Monoclonal            |
| Biozol Catalog Number      | ABN-RAB08877                                                                                     |
| Supplier Catalog Number    | RAB08877                                                                                         |
| Alternative Catalog Number | ABN-RAB08877-20                                                                                  |
| Manufacturer               | Abnova                                                                                           |
| Category                   | Antikörper                                                                                       |
| Application                | IHC-P                                                                                            |
| Species Reactivity         | Human                                                                                            |
| Immunogen                  | Original antibody is raised against recombinant protein corresponding to full length human GYPA. |
| Product Description        | Mouse recombinant monoclonal antibody raised against full length recombinant human GYPA....      |
| Clonality                  | Monoclonal                                                                                       |
| Clone Designation          | [rGYPA/280]                                                                                      |
| UniProt                    | 2993                                                                                             |
| Buffer                     | In 10 mM PBS (0.05% BSA, 0.05% sodium azide)                                                     |
| Form                       | Liquid                                                                                           |
| Target                     | GYPA                                                                                             |

|                    |                                                                                                                                                         |
|--------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|
| Application Dilute | Immunohistochemistry (Formalin/PFA-fixed paraffin-embedded sections) (0.25-0.5 ug/mL)The optimal working dilution should be determined by the end user. |
