| Article Name               | ACTA2 recombinant monoclonal antibody                                                                                          |
| Biozol Catalog Number      | ABN-RAB09136                                                                                                                   |
| Supplier Catalog Number    | RAB09136                                                                                                                       |
| Alternative Catalog Number | ABN-RAB09136-50                                                                                                                |
| Manufacturer               | Abnova                                                                                                                         |
| Category                   | Antikörper                                                                                                                     |
| Application                | IHC-P, WB                                                                                                                      |
| Species Reactivity         | Human                                                                                                                          |
| Immunogen                  | Original antibody is raised against a synthetic peptide of human alpha smooth muscle Actin.                                    |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human ACTA2....                                                          |
| UniProt                    | 59                                                                                                                             |
| Buffer                     | In 50mM Tris-Glycine, pH 7.4 (0.15M NaCl, 50% Glycerol, 0.01% Sodium azide and 0.05% BSA)                                      |
| Form                       | Liquid                                                                                                                         |
| Target                     | ACTA2                                                                                                                          |
| Application Dilute         | Immunohistochemistry (1:50-1:100)Western Blot (1:500-1:1000)The optimal working dilution should be determined by the end user. |
