| Manufacturer               | Abnova                                                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                                                 |
| Application                | IF, WB                                                                                                                                                                                     |
| Species Reactivity         | Human                                                                                                                                                                                      |
| Immunogen                  | Original antibody is raised against recombinant protein of human Chk2.                                                                                                                     |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human CHEK2....                                                                                                                      |
| UniProt                    | 11200                                                                                                                                                                                      |
| Buffer                     | In 50mM Tris-Glycine, pH 7.4 (0.15M NaCl, 50% Glycerol, 0.01% Sodium azide and 0.05% BSA)                                                                                                  |
| Form                       | Liquid                                                                                                                                                                                     |
| Target                     | CHEK2                                                                                                                                                                                      |
| Application Dilute         | Immunocytochemistry (1:50-1:100)Immunofluorescence (1:50-1:100)Immunoprecipitation(1:10-1:50)Western Blot (1:500-1:1000)The optimal working dilution should be determined by the end user. |
