## Product Datasheet

**Histone H3 (crotonyl K9) monoclonal antibody, clone RM339, Clone:  
[RM339], Monoclonal  
ABN-RAB09499**

|                            |                                                                                                                                                              |

| Article Name               | Histone H3 (crotonyl K9) monoclonal antibody, clone RM339, Clone: [RM339], Monoclonal                                                                        |
| Biozol Catalog Number      | ABN-RAB09499                                                                                                                                                 |
| Supplier Catalog Number    | RAB09499                                                                                                                                                     |
| Alternative Catalog Number | ABN-RAB09499-25                                                                                                                                              |
| Manufacturer               | Abnova                                                                                                                                                       |
| Category                   | Antikörper                                                                                                                                                   |
| Application                | WB                                                                                                                                                           |
| Species Reactivity         | Human                                                                                                                                                        |
| Immunogen                  | Original antibody is raised against a synthetic crotonyl peptide corresponding to residues surrounding Lys9 of human histone H3.                             |
| Product Description        | Rabbit recombinant monoclonal antibody raised against human histone H3....                                                                                   |
| Clonality                  | Monoclonal                                                                                                                                                   |
| Clone Designation          | [RM339]                                                                                                                                                      |
| Buffer                     | In PBS (50% glycerol, 1% BSA, 0.09% sodium azide)                                                                                                            |
| Form                       | Liquid                                                                                                                                                       |
| Application Dilute         | Dot Blot (0.5 ug/mL-2 ug/mL)Multiplex (0.05 ug/mL-0.5 ug/mL)Western Blot (1 ug/mL-5 ug/mL)The optimal working dilution should be determined by the end user. |
